

2010 CONTINUING EDUCATION SYMPOSIUM A DAY IN THE LIFE OF A FINANCIAL PLANNER

The Financial Planning Association of Central Ohio invites you to join us on September 14, 2010 at Quest Conference Center in Columbus Ohio for our 2010 Continuing Education Symposium. We are honored to continue our mission to serve and inspire those who deliver, support and need financial planning by offering to financial planners a full day of continuing education with outstanding speakers and programs!

It has been a tough year due to the economic climate, and it is important that we support one another and help our fellow industry peers throughout this hard time. A brighter future is on the horizon, which gives us much to celebrate about. We hope you use this opportunity to support each other and your chapter, gain new knowledge, network with symposium attendees, and take some time to enjoy yourself. This year's event features some of the best industry speakers from both the local community and around the country, and we are sure that you will come away with insight that will directly affect your clients and business as a whole.

"Coming together is a beginning, keeping together is a process, working together is success!"
